

Stroud Radical Reading Group

Join us for 3 discussions of books about

climate change

Wed 31st May, The Exchange, Brick Row

White Skin, Black Fuel:

On the Danger of Fossil Fascism

by Andreas Malm and the Zetkin Collective

Sat 24th June, The RYSE - 2 Bath St

The Solutions are Already Here:

Strategies for Ecological Revolution from Below

by Peter Gelderloos

Sun 30th July, The RYSE

After Geoengineering:

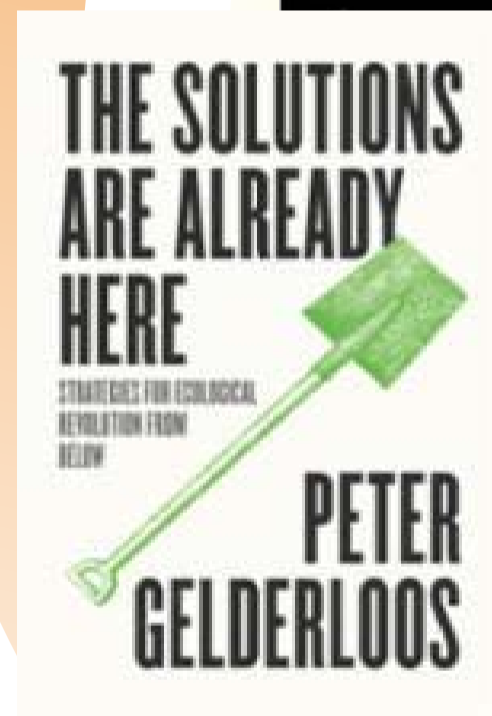

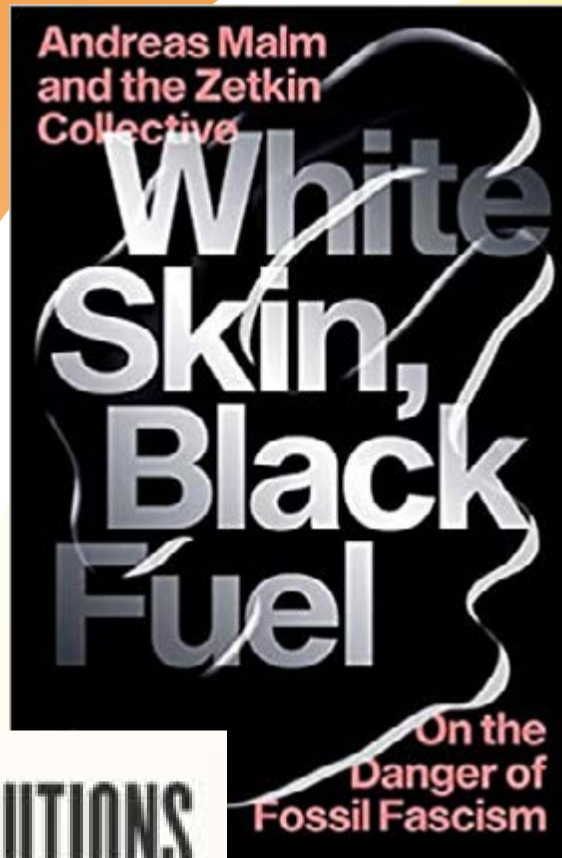

Climate Tragedy, Repair, and Restoration

by Holly Jean Buck

Events are free to attend.

Go to stroudradicalreading.com for venue details and directions, more information, free sample chapters and audiovisual resources, and links to buy the books at a discount.

We welcome people who've never been to a reading group before, and those who haven't read the books but would like to listen in.

After
Geoengineering
—
Climate Tragedy,
Repair, and
Restoration
—
Holly Jean Buck

"This book is required reading for how to navigate the crisis ahead."
—Matthew Huber, author of Lifeblood
